~Minutes~

Wednesday, July 1, 2026

6:00 PM

Board Room

Public Safety Members: Chairperson Thorington; Legislators Martinez, Handel, Davis, Lanuto, Hobart

PLEASE NOTE: No person shall be entitled to the privilege of the floor during any session of this Legislature unless a request therefore has been submitted prior to commencement of the meeting to a duly elected member of this body who represents the district in which the person making such request is a bonafide resident.

Call to Order

Call to Order Chairperson Thorington called the Public Safety Committee Meeting to order at 6:22 p.m.

Chairperson Thorington started by bringing sheriff to the floor

Sherriffs report!!

Got an award, hosted marine patrol certification class. 12 student consisted -Albany Columbia and Greene

saved 2 people in coxsackie, neither of them were wearing life jackets, MArrinett 3:30 pm north end 5:30 Lanuto asked question 6 from Greene 3 from Albany 3 from Columbia. They supplied boats and instructures. A consolidated training effort

Legg question - I used to be part of a boat club. Do we tow people in?

We do it but we do it for free. But we are properly equipts,

Chairperson invited Sean up to speak about 911 coordinator

Talked about a kit for Autism. These kits should be standard at our July meeting. Everyone will get one. Marc Millonaro's project.

Lanuto made statement

it all adds up use think differently

John Farrell came up and gave his report.

resolutions #1 - once a year to keep updates. Its necessary its one of the rules for the grant that comes out of albany

#2- reaching its life expentancy

#3 & 4 for Dan

#7-- budget amendment

Bring DAn Up

Legg-before you leave when graduation

DAN KING-- grant funds need to go into a network based. part of grant need redudincy, and hardened systems so they cant be hacked.

transfer photo and video very hard. This resolution fixes that.

#4-- recorder had reACHED end of lifr. WE need something that can store everything we do. Every step of EWverthing we do, Any questions

Linger questions

Dan King -yes

Bulich asked question to Shaun

Dan king stated- this is a state contract, we know it will be seamless.

Linger asked about hazmat call

hazmat in prison, everything worked out well

Roll Call

Proposed Action Items:

1. Emergency Services - Reaffirmation Of NIMS Procedures

Meeting History

7/1/2026 - Public Safety Committee - Moved for Adoption

RESULT:	Moved for Adoption
MOVER:	Legislator Patricia Handel
SECONDER:	Legislator Patrick Linger
AYES:	Legislator Martinez, Legislator Handel, Legislator Davis, Legislator Lanuto, Legislator Linger
NOES:	Legislator Thorington, Legislator Luvera
ABSTAIN:	[ABS_TITLES_LAST_NAMES]

2. Authorizing Solicitation of RFP for NextGEN 9-1-1 Call Handling Equipment and Related Services for the Greene County 9-1-1 Center

WHEREAS, the Greene County Department of Emergency Services operates the County's Public Safety Answering Point (PSAP), which receives and processes emergency 9-1-1 calls for service; and

WHEREAS, the County's current 9-1-1 call handling equipment will reach end-of-life status and must be replaced to maintain reliability, security, manufacturer support, and compatibility with evolving emergency communications technologies; and

WHEREAS, 9-1-1 call handling equipment and associated services are essential for receiving, processing, routing, and transferring emergency calls and must be compliant with Next Generation 911 (NG911) standards; and

WHEREAS, funding for the procurement of replacement NG911-compliant call handling equipment and related services is available through NG911 Grant Funds, Project H-179;

NOW, THEREFORE, BE IT RESOLVED, that the Greene County Legislature hereby authorizes the Department of Emergency Services to solicit Requests for Proposals (RFPs) for NG911-compliant call handling equipment and related services, including software, licensing, installation, training, maintenance, and support.

ABSTAIN:	[ABS_TITLES_LAST_NAMES]

4. Authorizing the Purchase and Installation of New Recording System- 9-1-1 Center

WHEREAS, the Greene County Department of Emergency Services is responsible for maintaining reliable and secure public safety communications systems that support emergency call handling and dispatch operations throughout Greene County; and

WHEREAS, the existing recording systems at the Greene County Primary Public Safety Answering Point (PSAP), Backup PSAP, and the Catskill Police Department have reached end-of-life status and require replacement to ensure continued operational reliability, compliance, and manufacturer support; and

WHEREAS, the replacement project consists of multiple integrated recording system components designed to provide comprehensive recording, retrieval, and management capabilities for emergency communications operations at the Primary PSAP, Backup PSAP, and Catskill Police Department; and

WHEREAS, the Greene County Department of Emergency Services solicited proposals from multiple qualified vendors for the procurement, installation, programming, and implementation of the replacement recording system; and

WHEREAS, AK Associates, Inc., Concord, New Hampshire, submitted a proposal in the amount of One Hundred Forty-Two Thousand Six Hundred Fifty-Two Dollars and Ninety-Seven Cents (\$142,652.97), which includes all required hardware and software components, installation services, programming, project management, lifetime training, and one (1) year of Silver Support providing 24-hour, seven-day-a-week remote technical support services; and

WHEREAS, AK Associates, Inc. is the Department's current vendor for the existing telephone and recording systems and possesses extensive familiarity with the County's public safety communications infrastructure; and

WHEREAS, due to the complexity of the installation, system integration requirements, and the need for onsite implementation services, the Department has determined that awarding the contract to AK Associates, Inc. is in the best interest of Greene County, as their existing knowledge of the County's communications environment will help ensure a seamless transition, minimize operational disruptions, and provide continuity of service during implementation; and

WHEREAS, funding for this project is available through the New York State Division of Homeland Security and Emergency Services Next Generation 911 (NG-911) Grant, Capital Project #171.

NOW, THEREFORE, BE IT RESOLVED, that the Greene County Treasurer is authorized to pay AK Associates, Inc., the sum of \$142,652.97 from H171-0000 5197.2.3410 for the purchase and installation of a new recording system.

Adjournment

*Adjournment On motion made by **Legislator Lanuto**, seconded by **Legislator Handel**, and unanimously approved, the meeting was adjourned at 6:40 p.m.*

Resolution No. Emergency Services - Reaffirmation Of NIMS Procedures

Emergency Services - Reaffirmation Of NIMS Procedures

WHEREAS, the Greene County Legislature adopted resolution 425-05, Emergency Services, Accepting NIMS Procedure on December 12/12/2005. The Greene County Legislature has approved the reaffirmation of this Procedure in subsequent resolutions; and

WHEREAS, the Greene County Department of Emergency Services has recognized the need to reaffirm and be in compliance with the National Incident Management System, otherwise known as NIMS , and

WHEREAS, NIMS has six components, specifically: command and management, preparedness, resource management, technologies and on going management and maintenance; and

WHEREAS, the adoption is an eligibility requirement for federal preparedness assistance to state and local governments, state and local organizations must adopt the NIMS to receive federal preparedness assistance (through grants, contracts and other activities);

NOW, THEREFORE BE IT RESOLVED that the Greene County Legislature hereby reaffirms its commitment to the National Incident Management System.

Authorizing The Purchase and Installation of a Security Camera System for the Greene County 911 Center and Department of Emergency Services Building

WHEREAS, the Greene County Department of Emergency Services operates the County's Public Safety Answering Point (PSAP), commonly known as the 911 Center, which serves as a critical component of the County's emergency response infrastructure; and

WHEREAS, the 911 Center is responsible for receiving emergency calls and coordinating emergency response services throughout Greene County twenty-four (24) hours per day, seven (7) days per week; and

WHEREAS, the protection of personnel, equipment, communications systems, and critical infrastructure housed within the Emergency Services Building is essential to maintaining uninterrupted emergency communications and public safety operations; and

WHEREAS, the installation of a modern security camera system will enhance facility security, improve situational awareness, provide investigative capabilities, deter unauthorized access and criminal activity, and assist in protecting County employees, visitors, and assets; and

WHEREAS, the Greene County Department of Emergency Services has obtained a proposal from Self Secured Networks LLC for the purchase and installation of a comprehensive security camera system for the Emergency Services Building and 911 Center in the amount of Fifty-Nine Thousand Eight Hundred Seventy-Eight Dollars and Fifty-Eight Cents (\$59,878.58); and

WHEREAS, sufficient funds are available in the 2026 Budget to support this purchase.

NOW, THEREFORE, BE IT RESOLVED, that the Greene County Legislature hereby authorizes the purchase and installation of a security camera system for the Greene County 911 Center and Department of Emergency Services Building from Self Secured Networks LLC in the amount of \$59,878.58.
