Chairman Linger asked Ms. Ernst for the roll call. Ms. Ernst stated, "Mr. Chairman, all Legislators are present."

Chairman Linger thanked Ms. Ernst.

Approval Of Minutes Of Previous Meeting

There being no objections or corrections, Chairman Linger declared that the Minutes of the previous meeting were approved.

Standing Committee And Special Committee Reports

Chairman Linger asked for a motion and a second to dispense with Committee Reports. The

motion was made by Legislator Martinez and seconded by Legislator Hobart.

Chairman Linger stated, "There's no meeting correspondence this month, we will move into the resolutions, just want to let everybody know we have two roll calls here in the beginning and if you would, before calling your vote turn the mic off, not mute, yes?"

Ms. Ernst stated, "Don't mute it just turn it on and say, I or no, and when you're finished turn it off; because there's only eight at a time."

Chairman Linger stated, "There you go. It kicks off the ninth person."

Ms. Ernst begins to read the resolutions.

Motions/Resolutions:

1. Motion To Adopt Local Law Number 1 Of 2026
(A Local Law Of The County Of Greene Providing A Real Property Tax Exemption For Real Property Owned By The Surviving Spouse Of A Police Officer Killed In The Line Of Duty Pursuant To Section 471 Of The Real Property Tax Law)

Chairman Linger opened the public hearing at 6:25 p.m. and asked Ms. Ernst to read the notice of public hearing.

Ms. Ernst read the notice of public hearing aloud.

Chairman Linger stated, "Thank you, Tanya. The purpose of this public hearing is to hear comments from the public with regard to Local Law Introductory Number 1 of 2026, a local law entitled a local law of the County of Greene providing a real property tax exemption for real property owned by the surviving spouse of a police officer killed in the line of duty pursuant to Section 471 of the Real Property Tax Law. If there's anyone here this evening who wishes to be heard, I would just ask that you raise your hand to be recognized, and when you stand, please state your name for the record; and with that, we'll begin the hearing. Is there anyone here this evening who wishes to be heard with regard to Local Law Introductory Number 1 of 2026, a local law entitled a local law of the County of Greene providing a real property tax exemption for real property owned by the surviving spouse of a police officer killed in the line of duty pursuant to Section 471 of the Real Property Tax Law."

Legislator Lanuto stated, "Mr. Chairman, if I may, just for a minute. (Chairman Linger stated, "Yes.") I did have a couple of constituents reach out to me in regard to the local law, and they couldn't be in attendance and this was relating to potentially in the future adding to this definition corrections officers, even though they are not considered police officers according to Section 1.2 of the New York State Criminal Procedure Law. It may be something for us to take into consideration as a potential amendment or future consideration under a different New York State definition for New York State corrections officers to include them into this property tax exemption as well."

Chairman Linger stated, "Understood, thank you. Ray." Chairman invited Mr. Ward to the podium.

Mr. Ward stated, "Legislator Lanuto, I can directly answer your question or your constituents' question. There are two new bills that were passed by both houses this spring. They are awaiting delivery to the Governor; one is for Correction Officers. It's the same language as 471, it's a whole new statute. This statute does not allow anything past 1.2 from procedure law. So, statutorily, we couldn't add Correction Officers at this time. There is potentially, the governor signing the bill sometime this year."

Legislator Lanuto stated, "So, once the governor signs that legislation, we would be able to add, or would it just be a blanket? (Mr. Ward stated, "We would have to pass a new local law and,") Right, (Mr. Ward stated, "I forget I don't have those laws with me.") Right."

Chairman Linger stated, "It would be under a different statute."

Mr. Ward stated, "It would be under a different statute, probably 472. (Chairman Linger stated, "If passed.") Yes."

Legislator Lanuto stated, "Yeah, very good, thank you."

Mr. Ward stated, "There's also one, also to be delivered to the governor for paid Firefighter's spouses, and there's also one that was passed last December for, to increase the surviving spouse in the Volunteer Firefighter that we passed back in 22, to increase that to 50 percent."

Legislator Lanuto stated, "Very good, thank you for clarifying."

Chairman Linger stated, "Thanks Ray."

Chairman stated, "All right, again, is there anyone here this evening who wishes to be heard with regards to Local Law Introductory Number 1 of 2026 a local law entitled, a Local Law of the County of Greene Providing a Real Property Tax Exemption for Real Property Owned by the surviving spouse. (Legislator Bulich stated, "What is the state doing, that made a -.") Mike, turn your mic on."

Legislator Bulich stated, "What would the State be giving, they want to pass this law, okay, but what is the state giving to the survivors of a Police Officer killed in the line of duty? They're not giving anything, right? (Chairman Linger stated, "They're not. It's up to each municipality.") the political, right, so the municipality, they want to make themselves feel good to the Police Officers, who I would have to say, in this state despise politicians, despise law enforcement, and then they want to make it seem like they care about law enforcement and so, then they passed this law, and we passed this law, and rightly so.

But what is the state? So the counties, the towns, maybe school districts, if they sign up for this, (Chairman Linger stated, "Correct.") we'll be giving up tax, and they'll have to get that tax from somebody else, unless they're gonna cut their budgets, which we know is not gonna happen. So, what is the state giving? Nothing!"

Legislator Lanuto stated, "They get political favor. (Legislator Bulich stated, "They get political favor.") That's it."

Legislator Bulich stated, "You know, and you can have some Police Officers and stuff say, 'Oh, duh, the State loves us.' So, just wanted to make that point. Thank you."

Chairman Linger stated, "All right, anyone else this evening who wishes to be heard with regards to Local Law Introductory Number 1 of 2026, A Local Law entitled, A Local Law of the County of Greene Providing a real property tax exemption for real property owned by the surviving spouse of a Police Officer killed in the line of duty pursuant to Section 471 of the Real Property Tax Law. Hearing none; then I will declare this hearing closed, and in a minute here we'll move into the regular meeting.

The Public Hearing was closed at 6:36 p.m.

There was no discussion on the vote.

Ms. Ernst made a roll call vote. Ms. Ersnt stated, "Mr Chairman, we have 10,000 ayes and 0 noes."

5. Setting Public Hearing On Local Law Introductory Number 2 Of 2026 (A Local Law Of The County Of Greene Providing That The Primary Residence Of A Seriously Disabled Veteran Shall Be Fully Exempt From Taxation And Special District Charges, Assessments And Special Ad Valorem Levies Pursuant To Section 458-a (11) Of The Real Property Tax Law)

Legislators Legg & Martinez, Handel, Hobart, Lennon & True seconded the motion as well.

Mr. Ward stated,

Legislator Hobart stated, "Mr. Chairman, I'd like to second, but I have a question; did we change this or, from it says seriously disabled veteran or wasn't it 100 percent disabled?"

Mr. Ward stated, "The statute was changed multiple times since it's signing by the Governor in December. There was a chapter amendment in January which changed it from local option to Mandatory. There were two other bills introduced throughout the legislative cycle, and with the late passage of the budget they included under part EE of the revenue bill of the budget, to the entire language, and removed the 100 percent, and changed it to permanent and totally disabled."

Legislator Hobart stated, "Percentages -."

Mr. Ward stated, "It doesn't matter, the understanding is is that you could have an 80 percent disability for one condition that makes you permanent, that gives you a disability up to 80 percent. You could have another disability or another rating at like 20 percent and the two together would get you a hundred percent, to create the total disability. (Legislator Hobart stated, "Okay, so that's total -.") That's the language we're hearing from Veterans Affairs."

Legislator Hobart stated, "Okay, thank you."

MOTION TO ADOPT
LOCAL LAW NUMBER 1 OF 2026

July 15, 2026

LOCAL LAW NUMBER 1 OF 2026

A LOCAL LAW ENTITLED “A LOCAL LAW OF THE COUNTY OF GREENE PROVIDING A REAL PROPERTY TAX EXEMPTION FOR REAL PROPERTY OWNED BY THE SURVIVING SPOUSE OF A POLICE OFFICER KILLED IN THE LINE OF DUTY PURSUANT TO SECTION 471 OF THE REAL PROPERTY TAX LAW.”

BE IT ENACTED by the Legislature of the County of Greene, as follows:

SECTION 1. Legislative Intent and purpose.

The Legislature recognizes the role of the spouse of Police Officers and the sacrifice they make living with the daily fear about their spouse’s safety while policing the community. The Legislature also acknowledges the economic impact that the death of that spouse might have on the family after they have paid the ultimate sacrifice in upholding their duty as a police officer in keeping the community safe. To that end, by providing the following exemption it is the intent of the County Legislature to try to lessen the impact economically of their spouse’s absence from the household. It is the intent of this Local Law to provide an exemption for surviving spouses of a Police Officer, as defined by Section 1.2 of the New York State Criminal Procedure Law, who has been killed in the line of duty. The exemption would be for up to fifty per centum of the assessed value.

SECTION 2. Real Property Tax Exemption.

a) Real property owned by a surviving spouse of a police officer as defined by Section 1.2 of the New York State Criminal Procedure Law who has been killed in the line of duty, and constituting the primary residence of such surviving spouse, shall be exempt from taxation to the extent of fifty per centum of the assessed value of such property for county purposes, exclusive of special assessments.

b) Such exemption shall be granted so long as:

- 1) the surviving spouse primarily resides in a town or village which is in Greene County; and
- 2) that the property is their primary residence and otherwise qualifies under Section 471 of the New York State Real Property Tax Law; and
- 3) the surviving spouse has not remarried.

c) Application for such exemption shall be filed with the assessor on or before the taxable status date on a form as prescribed by the commissioner.

SECTION 3. Effective Date.

This local law shall take effect immediately upon filing with the Secretary of State and be applicable to the next ensuing tax year.

**Re: Tentative Agreement
w/ UPSEU/Nurses
RWGM File No.: GREENE.250329**

Dear Chairman Linger:

I am pleased to report that the County's bargaining Team and the Nurses have reached a tentative agreement ("MOA"; see attached) for a successor Collective Bargaining Agreement (the "CBA"). The Union has successfully ratified the MOA. It is now up to the County Legislature to take its ratification vote.

The MOA covers a three (3) year term, commencing January 1, 2026 and continuing through December 31, 2028. The parties finetuned existing contract language in order to give clear meaning to some of the language and/or to ensure that the Nurses agreement contained language used throughout the County (i.e.: Health Insurance Buyout; Tuition Reimbursement; Jury Duty).

The parties strengthened the language for any reimbursements for the payment of the hiring bonus. The goal was to set the exact parameters for new hires to know the terms of the paid-upon-hire bonus and the obligations and responsibilities for leaving County service before a three-year full commitment to the County.

Public Health was successful in reaching agreement with the Nurses to work the same hours as the CSEA employees who work in the Public Health Department. The change was an important and key achievement.

Hon. Patrick Linger
July 6, 2026
Page 2 of 2

As for economic packages, the County maintained consistency with other settled contracts:

1/1/2026: add \$ 3000.00 to the base pay, followed by a 3.0% increase

1/1/2027: 3.0% increase to base

1/1/2028: 3.0% increase to base

Please note that longevity was also increased with the goal of retention (see paragraph 13 MOA).

On behalf of the County negotiating Team I recommend ratification by the Legislature. If you or any Legislator have questions, please feel free to contact me.

Very truly yours,

Elayne G. Gold
